*Docket No. T-34006 In re: Application for a common carrier certificate of non-hazardous oilfield waste, non-hazardous industrial solid waste and hazardous waste for disposal, statewide.*

(Decided November 10, 2016)

## ORDER OF DISMISSAL

On March 22, 2016, Service International of SWLA, LLC ("Service International" or the "Applicant") filed an application with the Louisiana Public Service Commission ("Commission") for authority to transport non-hazardous oilfield waste, non-hazardous industrial solid waste and hazardous waste for disposal, statewide. Notice of the proceeding was published in the Commission's Official Bulletin on March 24, 2016. Timely interventions were filed on behalf of Stafford Transport of Louisiana, Inc. d/b/a CEI, Stranco, LLC, Roy Bailey Construction, Inc., and Scioneaux, LLC. At a status conference convened on May 10, 2016, the parties agreed to a procedural schedule and scheduled a hearing for September 7 and 9, 2016. Thereafter, at the request of the Applicant, the hearing was continued and a status conference was convened, where the hearing was rescheduled for January 12-13, 2017. At a status conference held on October 13, 2016, the remainder of the procedural schedule was established.

On November 9, 2016, Service International filed a Motion to Withdraw Application and Cancel Hearing. The motion requested that application for common carrier certificate filed by Service International be withdrawn and that the January 12, 2017 hearing be cancelled. The motion informs that all parties to the proceeding have been contacted and consent to the motion. On November 10, 2016, a Notice was issued cancelling the January 12-13, 2017 hearing.

**HAVING CONSIDERED** the Motion to Withdraw Application and Cancel Hearing filed by Service International on November 9, 2016, we conclude that the motion should be granted and this proceeding dismissed, pursuant to Rule 56(d) of the Rules of Practice and Procedures of the Louisiana Public Service Commission, which provides:

*Except at the discretion of the administrative law judge, the procedures contained within subpart (a) of this Rule shall not apply to a motion to dismiss jointly filed by all parties of record, a motion to dismiss with prejudice filed by the party who instituted the proceeding, or a motion to dismiss without prejudice filed by a party who instituted the proceeding but prior to the filing of any other party's filing of a responsive pleading. Upon the filing of such a motion to dismiss, the administrative law judge may forego all recommendation procedures and prepare an appropriate order of dismissal for issuance by the Commission.*

### **IT IS THEREFORE ORDERED:**

That Docket Number T-34006 be, and hereby is, DISMISSED.
